

**Foster Maddison is a Silver winner  
at the Estate Agent & Letting Agent Awards**

***Foster Maddison Property Consultants have won a Silver Award at the prestigious Estate Agent & Letting Agent Awards for 2008 sponsored by the Property Search Group (PSG), Findaproperty.com and supported by the Royal Institution of Chartered Surveyors (RICS)***

Our agency was recognised for its excellent customer service as voted for by our clients over the last 12 months and the trophy was presented at a lavish ceremony which took place at the Marriott Hotel in Mayfair attended by 400 of the UK's top Estate and Letting agents.

The results of the competition were determined by research carried out amongst customers who are asked a series of questions about the service they have received from their agent. Jeremy Leaf, Chairman of the RICS Residential Faculty says "being shortlisted or actually winning one of these prestigious awards, which are widely recognised throughout the industry, demonstrates publicly an agent's commitment to delivering the highest standard of service."
